

## What's the Use of Buying Stale Goods

When We Sell You Absolutely Fresh Goods for the Same or Less Money Than You Would Pay Others for Carried Over Stock.

We have received in the past three weeks, direct from factories, by freight and express:

Several gross baseballs, 25c, 50c and \$1.50 grades.

D. & M. (Draper & Maynard) baseball mitts and gloves, all grades.

Wright and Ditson 1932 tennis balls, the best. Fine practice tennis balls 35c each. \$4 championship foot balls. Basket balls.

Croquet, of the better grades.

Boxing Gloves and Striking Bags.

FISK CACTUS AND ROAD TIRES.

Base ball bats, made strictly to order.

There are all goods which are VERY MATERIALLY affected by being carried in stock in this climate for any considerable length of time. We time our orders so that we are seldom short on these items, and are able to supply fresh goods at all times.

Mail orders always filled same day received.

**THE HUB,**  
Phoenix, Arizona.

Third United Presbyterian church at  
Phoenix.

During the last twenty years he has  
been pastor of the Tabernacle United  
Presbyterian church at Youngstown,  
O. In 1888 he was sent as delegate to  
the Pan-Protestant council at Glas-  
gow, Scotland, and at that time made  
a tour of Europe.

At Youngstown Dr. Fraser is also  
pastor of the Humane society and  
was instrumental in securing a child-  
ren's home for that city. He is now a  
director of the home. He is also a  
member of the board of trustees of  
Westminster college, Pennsylvania.

Dr. Fraser is also a lecturer on  
having delivered numerous lectures in  
the east from New York to Chicago.  
His most popular lecture, which was  
first delivered at Chattanooga, N. Y.,  
is entitled "A Yankee in Japan," and  
created much comment and interest.

Dr. Fraser and his scientific wife  
made in the city several days. He  
has expressed himself as highly pleased  
with this valley and wishes a bright  
future for it.

Phoenix would be fortunate if he  
could be persuaded to deliver his in-  
spired lectures here.

Personally, Mr. and Mrs. Fraser are  
most entertaining and pleasant people  
to meet.

## It Is Very Unpleasant

To get along with the sort of "Laundry  
Work" that the average washerwoman  
does or poorly equipped laundries do.  
And it's especially unpleasant when  
she happens to be sick a week or for-  
gets to deliver the clothes.

Better patronize our model and up-  
to-date laundry and you'll not only get  
the best kind of work but regular clock  
service.

Yours for good work and prompt deliv-  
ery.

## IN THE WRONG PLACE

Coroner's Jury in Search for a Dead  
Body.

Another inquest will be held or at-  
tempted today on the body which was  
reported had been discovered on the  
desert twenty miles northwest of the  
city last Tuesday. The body was found  
by a man by the name of Personoma,  
who was traveling in a wagon from  
Hot Springs Junction. He did not  
come on to town but sent word of  
his discovery by another man whom  
he furnished with a description of the  
location of the body.

A coroner's jury impaneled by Jus-  
tice Burnett followed the directions as  
closely as possible but they found only  
the skeleton of a sheep.

Personoma arrived in town yesterday  
and hearing of the result of the ex-  
pedition said there could be no doubt  
about the body. He had stood beside  
it and he knew that it was a human  
body. He received in turn a descrip-  
tion of the route taken by the coroner  
and the jury and he then drew a map  
of the country in which the body lay.

It is evident now that the jury was  
nowhere in the neighborhood of the  
place mentioned by Personoma. An-  
other jury will be impaneled this morn-  
ing and will start out on a hunt for  
the body under the guidance of Per-  
sonoma.

## THE LABOR UNION

Will Take a Hand in the Postoffice  
Muddle.

Washington, D. C., April 17.—The in-  
dications are that organized labor will  
become a party to the affairs in the  
postoffice department. A special com-  
mittee of the Central Labor union of  
this city, which has been secretly in-  
vestigating the matter, has formulated  
charges of favoritism, incompetency,  
etc., against certain of the mail equip-  
ment division. The charges which will  
probably be filed tomorrow with the  
postmaster general, allege that mail  
bags that do not conform to the specifi-  
cations have been accepted by the  
chief of the division, Colonel Thomas  
P. Graham.

Other charges allege among other  
things, that a worthy and needy white  
woman is discriminated against in fa-  
vor of a negro woman employee there;  
that the foreman of the sewing room  
is a stenographer; that the machine  
operators were reduced from \$2 per  
diem to \$1.75 per diem, the salaries of  
the superintendent and some of the  
other officers were raised \$150 to \$200  
per annum; that the suspension of one  
clerk was illegal and of another unjust;  
that employees are working over time  
without compensation; that the fore-  
man of the bookshop is not a bookmak-  
er, and that recommendations for pro-  
motion are not based on merit.

## THE CHILDREN ENJOY

Life out of doors and out of the games which they play and the enjoy-  
ment which they receive and the efforts which they make, comes the  
greater part of that healthful development which is so essential to their  
happiness when grown. When a laxative is needed the remedy which is  
given to them to cleanse and sweeten and strengthen the internal organs  
on which it acts, should be such as physicians would sanction, because its  
component parts are known to be wholesome and the remedy itself free from  
every objectionable quality. The one remedy which physicians and parents,  
well-informed, approve and recommend and which the little ones enjoy,  
because of its pleasant flavor, its gentle action and its beneficial effects, is—  
Syrup of Figs—and for the same reason it is the only laxative which should  
be used by fathers and mothers.

Syrup of Figs is the only remedy which acts gently, pleasantly and  
naturally without griping, irritating, or nauseating and which cleanses the  
system effectually, without producing that constipated habit which results  
from the use of the old-time cathartics and modern imitations, and against  
which the children should be so carefully guarded. If you would have them  
grow to manhood and womanhood, strong, healthy and happy, do not give  
them medicines, when medicines are not needed, and when nature needs  
assistance in the way of a laxative, give them only the simple, pleasant and  
gentle—Syrup of Figs.

Its quality is due not only to the excellence of the combination of the  
laxative principles of plants with pleasant aromatic syrups and juices, but  
also to our original method of manufacture and as you value the health of  
the little ones, do not accept any of the substitutes which unscrupulous dea-  
lers sometimes offer to increase their profits. The genuine article may be  
bought anywhere of all reliable druggists at fifty cents per bottle. Please  
remember, the full name of the Company—  
**CALIFORNIA FIG SYRUP CO.**—is printed on  
the front of every pack-  
age. In order to get its  
beneficial effects it is al-  
ways necessary to buy  
the genuine only.
